Personal Profile

Murrae Ross-Eskell is Principal Consultant at Horizon Executive Search.

With nine years experience in executive search, Murrae is a specialist in recruiting for the Aviation Industry. She has successfully placed people in senior roles across the value chain, including airlines, airport, aviation leasing companies, aviation finance and service providers (MRO, catering and ground handling).

Prior to her role at Horizon, Murrae worked at Odgers Ray & Berndtson initially as manager of the Global Response Department, and then as an Associate, in the Aviation practice, with particular responsibilities for search, business development and marketing activities.

Murrae's early career was in media production and the education sector.

The type of roles Murrae has filled extends from middle to senior management in varying functions, giving her a wealth of experience. Management positions successfully filled include:

Managing Director
Company Secretary
Airport Director
Senior Regional Director

Head of Risk Management
VP – Aircraft Marketing
Senior Vice President
Group GM – Business Development
